9. The promoter reserves the right to restrict entries based on the available pool time, and in the event of over-subscription priority will be given to those swimmers without current ASA ranking times. It may be necessary to move events between sessions to make best use of pool time bearing in mind the nature of the entries.
10. Warm-up times and start times will be as stated in the programme.
11. Age groups are defined as 9yrs & under, 10yrs, 11yrs, 12yrs, 13yrs, 14 years and 15 years & over. All events will be swum as heat declared winners.

13. Data Protection – Newquay Cormorants Swimming Club, acting as lead club for recording results, uses a computer to record entries and results. By submitting entries and accepting entry to the Club Championships, consent is thereby given to the holding of personal information on a computer. Personal data recorded such as name, club, date of birth, and times entered and recorded may be made public during or after the Club Championships. This data will be passed to the ASA for the purpose of calculating and publishing swimmers' national rankings.
14. No spectators will be allowed on poolside.

17. Heat start lists rather than cards will be issued at the gala.
18. Competitors must report to the marshals two events before their own event. Competitors for the first two events of a session must report at the end of the warm-up. It is the coach's responsibility to ensure that their swimmers present themselves to the marshal in sufficient time for their event. 20. There will be no charge for coaches passes.

As the pool is run primarily for the benefit of the public the temperature of the water and surrounding air is under the control of the pool operator. The water temperature is normally maintained above 28 degrees Centigrade. No refunds will be given if a swimmer decides not to compete on the day based solely on water temperature.
