

# Swim England South West Region Championships 2019

## Summer Championships Licensed at Level 1

Below are the details of this year's Championships, full details of the 2019 Winter Championships event will be circulated later.

Qualifying times and Para event details are attached as a separate document.

### **Important notes:**

As there are consideration times for these championships please do not make payment until you have heard if the swimmers have been accepted, I will endeavour to get this done by the weekend following the closing date.

Swimmers who have a consideration time are not considered as entered until their entry has been confirmed back to the club.

When sending entries I only require the entry file, a copy of page 6 below and a mention of which club you are from as in all correspondence to me, if you take over as competition secretary of your club please make this clear so that you can be added to the distribution list. If you are paying by BACS please make this clear. I have also attached a form for your Treasurer to use if you are passing it on.

**When emailing me please include the name of the swimming club you are representing.**

### **Entry procedure:**

There are Sportsystems entry files for all events and these must be used for club entries, individual entries will only be accepted when there is one entry per club and these should be made by emailing Swim England number and events to be entered to [swentries@swimming.org](mailto:swentries@swimming.org)

### **Closing date:**

I have moved this to 11.00pm on Wednesday 24 April 2019 for all 3 weekends; this will allow times achieved at designated meets over the Easter weekend before, to be sent to Swim England Rankings and hopefully appear on the swimmers file and you can then make their entries. I will NOT be accepting updated times from those meets, so do not send more than 1 entry file. If you do not have swimmers competing on the 20/21 April please let me have your entries as early as possible.

### **Data Protection statement:**

In order to operate the SWR Championships, we have a legitimate interest to collect and process some personal data from all competitors. **Officials:**

To comply with Licence regulations we do need volunteers for all sessions; if there are insufficient volunteers the Licence can be withdrawn and the times achieved will not be entered on to Swim England Rankings. Please can you ensure that you send names of your volunteers well before the event. The names of the officials should be sent to Nicky Vause [swofficialssecretary@swimming.org](mailto:swofficialssecretary@swimming.org) together with the name of the club they are representing.
